CHRIST'S CHURCH REOPENING PLAN

Phased Reopening Plan

We kicked off [Phase 3](#) last Sunday and look forward to its continuation until we can move safely to Phase 4.

During this phase, please:

- complete the [required registration](#) each week that you'd like to attend in person (Registrations will open every Tuesday for the following Sunday.
- double mask to allow for singing (we will provide each attendee with one mask and ask you to provide the other mask)
- remember that temperature checks will be done upon entry
- continue to social distance
- arrive between 9:45a and 9:55a

We will continue to live stream worship on Sunday mornings at worship.celebrating.org during every phase of this plan, and will continue even after we are fully open with no restrictions.

We're so looking forward to getting back to unrestricted, in-person worship and thank you for your patience as we take safe steps to get there!

Teacher Outreach

As a way of extending our appreciation to another group of heroes, we are initiating a plan that invites every Christ's Church family to participate in reaching out to the teachers at St. Peters and at Lewis & Clark Elementary Schools. We have chosen these schools because of our existing relationship with them through the LINKS program.

What can I/we do, you ask? Here are a variety of ideas, but you're welcome to come up with your own. (Please be sure that all donated food items are store bought.)

- Write a note of thanks (invite your kids to do so also)

- Invite your kids to make a card (The kids who participated in the Easter Shell-abration signed a large card for them.)

- Donate a STORE BOUGHT treat i.e. cookies, nuts, energy/granola bars, individual bags of chips, bagels & cream cheese (please let Lori B know to check the fridge if you bring cream cheese), etc

- Donate a \$5 or \$10 gift card to Panera, Starbucks, etc.

Please drop these items off at the church anytime now through Thursday, April 15th. We will arrange into baskets for delivery the week of April 19th.

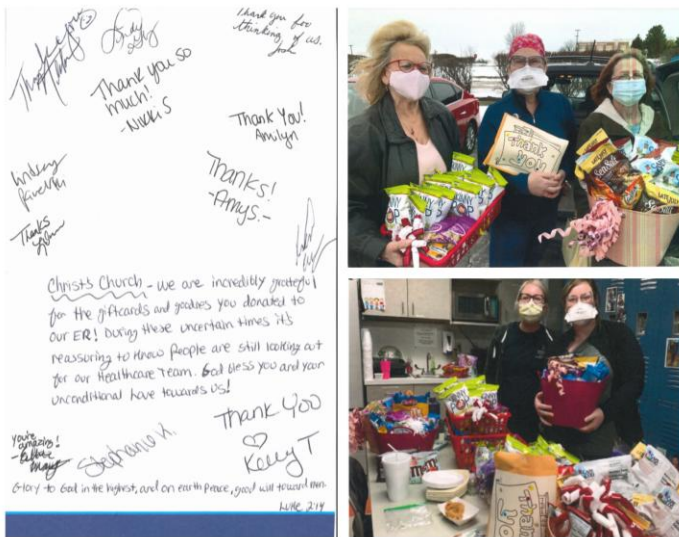

Thanks very much for your support!

Childcare and G.L.O.W.

If you'd like to care for some of our youngest members during worship, please [sign up](#) to help in the Toddler room. (We'll seek Nursery volunteers when our new babies are ready to join us in-person.) We need two volunteers each week to staff this room.

And if you feel more comfortable with our older kids, you can [sign up](#) to help with G.L.O.W. either as a teacher or as an assistant. We need one of each every Sunday, beginning April 18th.

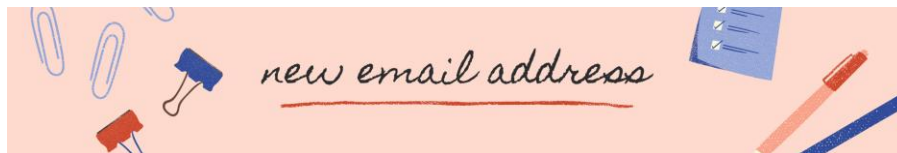

Thank You Christ's Church!

Christ's Church,

We are incredibly grateful for the gift cards and goodies you donated to our ER! During these uncertain times, it's reassuring to know people are still looking out for our Healthcare Team! God bless you and your unconditional love towards us!

Thank you!

Thank you for the provisions you continuously contribute every week. Please keep them coming. Throughout the school year, we are continually in need of all food items, so are truly grateful for your ongoing support!
